

School food production record sheet (GRS-1525)

Utah General Retention Schedule

Description

This sheet is prepared daily by the school food service for all meals served. It is used to plan meals and to determine menu items needed for meal preparation. The sheet contains the menu items, portion sizes, meal compliance, planned amount and actual amount of food used, vitamin and iron usage, number planned for and number actually served, and tray count.

Retention and Disposition

Retain for 3 years, and then destroy records.

Appraisal

These records have administrative value(s).

Appraisal Note

Value of records is based on their usefulness for carrying out the agency's current business.
