

Community development block grant historical records (GRS-667)

Utah General Retention Schedule

Description

Community development block grants (CDBGs) are allocated by the federal government to provide resources to address a wide range of unique community development needs. These records document the application and completion of projects funded under this program and include both direct grants and regrants. Records include the initial application, yearly reports, and all final reports.

Retention and Disposition

Retain permanently. Records may be transferred to the archives.

Appraisal

These records have administrative, fiscal, and/or historical value(s).

Appraisal Note

These records have historical value based on their evidence of the significant effects of governmental programs and actions on individuals, communities, and the natural and man-made environment.
