Traffic signal conflict-monitor log (GRS-696)

Utah General Retention Schedule

Description
This is a log showing when each conflict-monitor was serviced (a safety device that functions to avoid two opposite green lights showing at the same time). It is used for maintenance purposes. The information is maintained at the intersection. The log includes location, type of conflict monitor and date serviced.

Retention and Disposition
Retain for 7 years, and then destroy records.

Appraisal
These records have administrative value(s).
