

# Emergency response hazardous waste case files (GRS-551)

## Utah General Retention Schedule

### Description

These case files document the investigation of hazardous waste incidents including the cleanup, the process and the proper waste disposal. Information includes complaint, incident, spill, response, and remediation details.

### Retention and Disposition

Retain permanently. Records may be transferred to the archives.

### Appraisal

These records have administrative, and/or historical value(s).

### Appraisal Note

These records have historical value based on their evidence of the significant effects of governmental programs and actions on individuals, communities, and the natural and man-made environment.
