## Asbestos abatement project books (GRS-2213)

## **Utah General Retention Schedule**

## Description

Records documenting the removal of asbestos from state buildings by the Utah Correctional Industries' Asbestos Abatement Project crew. The books include check-off sheets, description of project, notifications, work logs, memos, area sign-in sheets, daily work sheets, training certifications, summary of respiratory equipment used, Material Safety Data Sheets, final reports, and waste disposal records.

## **Retention and Disposition**

Retain for 30 years, and then destroy records.

Categories Administrative
