TITLE: Airport construction project records

DATES: 1942-

ARRANGEMENT: Alphanumeric by project number

ANNUAL ACCUMULATION: 3.00 cubic feet.

DESCRIPTION:

These files detail the actual construction work undertaken at specific airports. The Utah Department of Transportation (UDOT) coordinates airport construction throughout the state. The airports are funded by both state and federal monies. All projects are approved by the Aeronautics Committee. These records include reports on the progress of the construction, a record of payment, drawings, and correspondence. The information includes project location numbers, details of project, cost of construction, requests for money to be spent, and agreements.

3

TITLE: Airport fuel tax disbursement journals

DATES: 1964-

ARRANGEMENT: Alphabetical by airport, thereunder chronological

ANNUAL ACCUMULATION: 0.10 cubic feet.

DESCRIPTION:

These are airport fuel disbursement records which show the history of fuel taxes reimbursed to cities with airports throughout Utah. The fuel taxes are paid by oil distributors, received by city clerks, and then collected by the State Tax Commission. Aeronautics reimburses most of the cost of the tax to the city to be used toward airport construction and maintenance. The information includes amount of gallons purchased, total reimbursed to the city, amount the Tax Commission collects, and the date. These records are maintained monthly for Salt Lake airports (due to the volume of fuel they purchase) and quarterly for all other airports.

TITLE: Airport license applications

DATES: 1955-

ARRANGEMENT: Alphabetical by name of airport

ANNUAL ACCUMULATION: 2.00 cubic feet.

DESCRIPTION:

These applications are sent to the Aeronautics Division yearly by individual airports in order for them to be licensed. Airports are inspected and can be disapproved. To be licensed, the airport submits the application and a fee, then Aeronautics gives them a license and receipt for payment. These records document that transaction. Information includes name of airport, location (including county), mailing address, owner, airport manager, type of airport (public or private), latitude and longitude, runway information, fee paid, and a copy of the license.
