ARRANGEMENT: Alphabetical by surname, thereunder chronological
DESCRIPTION:

These are attendance and registration records. These contain students' names, school and class, entry and exit dates, grades, days of absence and forms completed for enrolled students registering for specific classes. These are the class rolls maintained by each teacher. They are used to record student attendance. Attendance has been computerized in all Utah school districts and the use of class rolls has been discontinued. These rolls contained teacher's name, students' names, school and class, entry date, exit date, days of absence, and sometimes grades. Some class rolls may be the only surviving record of student attendance and grades and would require permanent retention (See Official transcripts, item 17-3).
