1

TITLE: Interment register

DATES: 1890-1979.

ARRANGEMENT: Generally chronological.

DESCRIPTION:

This series contains a single leather-bound ledger used to record burials in the cemetery. The ledger records such information as the name of the deceased, age at death in years, months, and days, date and place of birth, date and place of death, grave location, cause of death, doctor or undertaker, and parents' names. A portion of the book was used between 1949 and 1962 to record cemetery income and expenditures. A number of documents have been filed in the back of the book, including an early single-page register of burials between 1888 and 1898, along with other records related to lot ownership and care payments.
