

Retention and Classification Report

Agency: Department of Transportation. Finance. Procurement (2428)

4501 South 2700 West
Salt Lake City, UT 84119-5998
801-535-7661

Records Officer: _____

83722	Inventory stock and stores
83731	Inventory stock and stores microfiche

AGENCY: Department of Transportation. Finance. Procurement

SERIES: 83722

3

TITLE: Inventory stock and stores

DATES: 1980-

ARRANGEMENT: Numerical by district, thereunder chronological

DESCRIPTION:

This report is generated and distributed to the Procurement division. It is a single data entry report that goes out to make sure the quantity required is available and makes the office aware of the need to re-order items. Includes such information as account number, task, charge identification, originator, batch information, issue code, date, location, materials identification, batch header, firms account coding, and there is an area for error messages. This report includes information on whether an item is available, and where it comes from. The information comes off of the Maintenance Time Sheet in summary form. It reports only the issues and the information feeds other systems.
