**ARRANGEMENT:** Chronological by burial date.

**DESCRIPTION:**

This series contains permits allowing the transport and burial or disposal of a dead body. These permits were issued by the state where the individual died and state law required that the cemetery sexton receive such a permit prior to allowing "burial or other disposition of a human body". The sexton was directed to retain these permits. Most of the permits in this series were issued by the Utah State Division of Vital Statistics, but some were issued by other states. The permits typically record such information as the name of the deceased, sex, race, date and place of birth, date and place of death, place of residence, method of disposal, cemetery information, funeral director information, and date of burial.
